Sciences

13-14 May (8:00 am-4:00 pm)

Oregon State University, Klamath County Extension,
6923 Washburn Way, Klamath Falls, OR

2025 Grasshopper Workshop Series

Who should attend: Agricultural specialists, Extension faculty, government field staff, crop consultants, and others

Capacity: 20 participants

Join us for a 2-day course: Through engaging classroom and field training, you'll learn to identify, survey, and manage grasshopper pests.

Enhance your pest management skills—don't miss out!

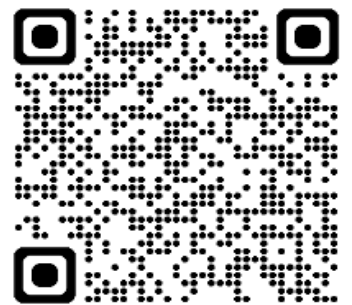

ODA Anticipated Credits!

Registration fee

\$125 per applicant covers a two-day catered lunch and supplies for insect collection, including nets and collecting materials.

Questions: sotelocp@oregonstate.edu; 541-737-4031
